

Installation Specialist

Why work with Coastal Design Landscaping?

- **Commitment to Quality** – We believe that good work speaks for itself and we won't cut corners
- **Commitment to our Staff** – We offer some great training opportunities because we recognize that professional and personal growth is important.
- **Commitment to Work/Life Balance** – Our team puts in a full work week and we recognize that everyone needs down time. We are closed every Sunday, all Statutory Holidays and work minimal Saturdays.

Installation Specialist - \$20.00 to \$27.00

A suitable applicant will have 2+ years of hardscape and softscape installation experience. That person will be well-versed in all areas of landscape installation and will be able to work well within a team.

Primary Responsibilities & Requirements:

The person will be responsible for installation of wide range of products for any given project. This individual will have high expectations of themselves day in and day out. This will come into play from the beginning of the installation to the cleanup and completion of the project.

Expectations:

1. Ability to read and decipher landscape drawings
2. Good at problem-solving and has a positive attitude
3. Hardscape/Softscape installations
4. Interlock and Natural Stone/Masonry installation
5. Tree Planting/Sod Installation and Care
6. Ability to operate small machinery
7. Knowledge of Plant Material

***** Carpentry experience will be considered as a valuable asset *****

If our company appeals to you and you possess some of the characteristics in the posting above then we would like to hear from you. If not, please feel free to reach out to us as there may be other positions that we are trying to fill on our team.
